School-Parent Compact

School Year: 2023 – 2024

Dear Parent(s)/Guardian(s):

Rockdale County High School students participating in the Title I, Part A program, and their families, agree that this School-Parent Compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

JOINTLY DEVELOPED

The parents, students, and staff of Rockdale County High School partnered together to develop this School-Parent Compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend an Annual Title I Revision Meeting held each spring to review the School-Parent Compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the Annual Title I Parent and Family Engagement Survey that is also used as a tool to collect parent feedback regarding the current Title I programs and plans.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

ROCKDALE COUNTY PUBLIC SCHOOLS GOALS:

Using FY23 results as a baseline measure, the district shall increase its CCRPI score each year by 3% of the gap between the baseline and 100.

ROCKDALE COUNTY HIGH SCHOOL'S GOALS:

To help your child meet the district and school goals, the school, you, and your child will work together.

Rockdale High School's Improvement Plan Goals for 2023 – 2024:

- 1. By the end of the 2023-2024 school year, the literacy rate will increase by 3% as indicated by CCRPI.*
